DECISION ON RENEWED

PETITION

(37 CFR 1.47(a))

In a decision mailed by this Office on 28 March 2007, applicants' petition under 37 CFR 1.47(a) for acceptance of the application without the signature of co-applicant Margaret BATTEN was dismissed without prejudice for failure to satisfy the requirements of a grantable petition.

On 02 July 2007, applicants filed a response to the 28 March 2007 decision, with required two-month extension fee; the response is treated herein as a renewed petition.

Applicants' 02 July 2007 submission includes an acceptable declaration executed by all the inventors herein, including the previously non-signing inventor Margaret BATTEN. Applicants have therefore now submitted a fully executed declaration in compliance with 37 CFR 1.497. Accordingly, the petition under 37 CFR 1.47(a) is MOOT.

This application is being forwarded to the National Stage Processing Branch of the PCT Operations Division for further processing in accord with this decision.

The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 02 July 2007.
